I'm adrift  
Out at sea  
In the far, far reaches  
Of the galaxy

Spin around  
Just out of reach  
Not everything is meant to be

I don't want to need you  
I don't want to lean on you  
I'll hold you close  
But I will let you go

Standing firm, I'll plant my feet  
Face upturned for what's to be  
Like the willow tree,  
I will not break  
I will not break

Untethered  
I'm unmoored  
Holding the whole world in my  
hands  
And asking what it's all for

Going fast  
With no place to go  
No more words  
But still they out pour
